
Advanced CF7 DB – Reply Back

Advanced CF7 DB - Reply Back

Overview

Advanced CF7 DB – Reply Back is an add-on of **Advanced Cf7 DB**, currently the Users(administrator) find it hard to reply back to the users that have been contacted them and there is no instance in the Advanced CF7 DB. This plugin fulfills the feature to reply back to the users. It is simple to use and no extra hardwork required to rely back to the users. Just a click, enter your data and submit, your user will be replied by you. Its that easy and simlpe to use.

5. Add mail subject.
6. Select HTML Content for adding html in the message body.
7. Click on Send Reply button to send email.

The screenshot shows the WordPress dashboard with the 'Advanced CF7 DB' plugin menu item highlighted. The main content area displays a table of contact form entries. At the top, there is a 'Select Form name' dropdown menu set to 'Contact form 1'. Below this is a 'Display Settings' button and a search bar with 'From' and 'To' fields, a 'Search By Date' button, and a 'Search' button. The table has columns: 'your-name', 'your-email', 'your-subject', 'your-message', 'new_data', 'submit_ip', and 'submit_time'. There are three rows of data, each with a 'Reply' button. The first row's 'Reply' button is highlighted with a red box. At the bottom, there is a 'Bulk Actions' dropdown, an 'Apply' button, an 'Export to...' dropdown, and an 'Export' button. The text '3 items' is shown on the right side of the table.

	your-name	your-email	your-subject	your-message	new_data	submit_ip	submit_time
<input type="checkbox"/>							
<input type="checkbox"/>

<input type="checkbox"/>							

Advanced CF7 DB - Reply Back

The screenshot displays the WordPress dashboard interface. On the left, the sidebar menu includes 'Dashboard', 'Posts', 'Media', 'Pages', 'Comments', 'Contact', 'Advanced CF7 DB', 'Advanced CF7 DB Import CSV', 'Appearance', 'Plugins', 'Users', 'Tools', 'Settings', and 'Collapse menu'. The main content area shows the 'Advanced CF7 DB' table with columns for 'submit_time' and a list of entries. A modal window titled 'Reply Back' is open in the center, featuring the following fields:

- To***: A text input field containing 'your-email'.
- From***: A text input field containing 'your-email'.
- Subject***: A text input field.
- HTML Content**: A checkbox that is checked.
- Message Body***: A large text area for the reply content.

A 'Send Reply' button is located at the bottom right of the modal. The background table shows a list of entries with 'submit_time' values: '2018-08-09 05:58:01', '2018-08-02 10:48:35', and '2018-08-02 10:13:09'.
